Charles Warren Academy is seeking to appoint an enthusiastic and dedicated Teacher to join our friendly and supportive school. If you are committed to achieve high standards and share our vision of excellence for all then please contact us. Applications from all qualified teachers are welcome.

Charles Warren is a good school with 210 children on roll, it serves a diverse community. Our school has well behaved and motivated children. Set in beautiful grounds, it is well resourced and has its own specialist resource base for children with communication and language needs in Key Stage 1. We provide high quality CPD to all staff routed through the instructional excellence model. In addition, we have a strong workload and wellbeing strategy in place (i.e. allocated subject leadership time, a wellbeing working party, stand out shout out recognition, to name a few). A recent Ofsted survey highlighted how 100% of staff feel well supported, are proud of the school and enjoy working at the school.

We are part of a national and regional network of schools at AET, brought together by the belief that each and every child has an entitlement to an excellent education in every classroom, every day. An excellent education transforms lives and every pupil who attends one of our schools should be given the support, care and opportunity they need to flourish. We leverage our scale to support all our teachers, leaders and young people to be the best they can be.

Charles Warren Academy offers a unique and enriching experience for both its students and teaching team:

- Media suite
- Art studio
- Pupil kitchen
- Music room
- Specialist teachers
- Dedicated pastoral team

At Charles Warren our intention is to provide a curriculum that extends opportunity, raises aspiration, opens children's eyes to the world beyond their immediate environment and supports all children so that they can achieve academically and flourish personally to live a remarkable life.

We are immensely proud of our personal development offer.
