Broughton Fields is an exciting school based on the eastern edge of Milton Keynes. We are passionate about providing the very best for the children in our care, and work closely with their families to give them all the support and encouragement that they need to excel and shine.

We are determined that teaching will be innovative and challenging. We are keen to embrace the latest ideas and initiatives whilst retaining traditional standards of hard work, outstanding behaviour, respect and care. Values Education runs through every fibre of our school and shapes the way we teach, learn and treat one other. We work hard, but we have lots of fun too.

Our school vision states that we are, "A caring community committed to lifelong learning." We are always looking for staff to continually develop themselves and admire staff who will lead initiatives. Many members of our staff have enjoyed valuable career development at Broughton Fields.

We welcome visits to our school, and would strongly encourage this. Please speak to one of our administrative team on 01908 235994 or office@broughtonfieldsprimary.org.uk, who will find a slot in the diary for you to visit.
