ECTS Welcome

Are you ready to nurture the entrepreneurial spirit in our students, empowering them to become the driving force behind economic growth and job creation?

If you're nodding enthusiastically, then you're exactly who we're looking for!

We're in search of a dynamic Business Studies Teacher who not only excels in integrating maths into their curriculum but can teach Maths to KS3 and KS4. Students. As part of our team, you'll engage students of all abilities, sparking their passion and equipping them with practical know-how about the inner workings of businesses in the real world.

Sir Herbert Leon Academy is an 11-19 Mixed Comprehensive in Bletchley, South Milton Keynes. Our academy has 587 learners and employs around 100 dedicated teachers and support staff. The academy's senior leadership team places high priority on colleagues' mental health and work/life balance and has established systems to allow staff to flourish. There is a centralised behaviour system, a clear line management structure and opportunities for personal and professional development. As Sir Herbert Leon is a relatively small secondary school, new staff can foster strong relationships with both colleagues and students very swiftly, which enables them to embed within their new team quickly and know how best to teach students, according to their individual needs. The students are the beating heart of the school; it is a privilege to teach them as we continue on our journey to raise aspirations and outcomes for the local community.

Our core purpose is to enable all young people to have the opportunities to make exceptional progress both academically and in their lives outside of the classroom so that they are able to live fulfilling and successful lives.
