We are looking for an amazing Lunchtime Supervisor to join us from September 2024.

We opened in September 2023 and currently have children attending in Early Years Foundation Stage (Reception) and Key Stage 1.

At full capacity, the school will be a 3-form entry primary with places for 630 pupils, with a 39 place Nursery due to open in September of this year.

At Watling Primary School we give children an education that will prepare them for a future we can't even begin to imagine. In addition to the Primary National Curriculum subjects, we focus on developing STEM capabilities (Science, Technology, Engineering and Maths).

The holistic growth of every child through play, exploration, supported risk-taking and opportunities to make connections with the natural world forms an integral part of our curriculum. For this reason, learning outdoors in Forest School is a key part of our provision.

The advertised working hours for our Lunchtime Supervisors are longer than most schools. The extended hours allow our Lunchtime Supervisors to gain some experience in supporting children in the classroom environment at the start of learning time in the afternoons. We believe that this reflects our commitment to our support staff and the value that we place on enabling everyone to progress in terms of their knowledge, skills and career aspirations.
