About our School:

We are a two-form entry primary school situated in Bradwell Common near the centre of Milton Keynes and we are a part of The Blue Sky Federation, alongside Heelands School. Our children are taught in small classes from EYFS through to Year 6 and we have a strong team of dedicated and enthusiastic staff working with them across the school.

It is our intention to develop the whole child, helping them to grow as both lifelong learners and proactive, responsible citizens. In order to do this successfully, we strive to build meaningful and trusting relationships with our families. This starts with the very highest pastoral care; we know that children thrive academically, socially and emotionally if they are nurtured, free from worry and have all their needs met.

As a school community, we celebrate diversity and use people's experiences and strengths to motivate and stimulate. We recognise that children and adults perform best when they are nurtured, encouraged and valued.

About the Role:

Are you a passionate and dedicated teacher looking for a supportive and welcoming school?

Summerfield School is seeking a caring, conscientious, and creative Class Teacher to join our team.

At Summerfield, we prioritise staff wellbeing, ensuring a positive work-life balance. With small class sizes, strong pastoral support, and a team of committed governors, we create an environment where both staff and pupils thrive. Our school is at the heart of the community, and we are dedicated to helping everyone be "The Best They Can Be – Everyone, Every Day."

We are looking for a team player who:

- ✓ Is passionate about teaching and inspiring young minds
- ✓ Creates engaging and creative learning experiences
- ✓ Builds strong relationships with pupils, staff, and families
- ✓ Embraces our school values and supports our inclusive ethos

In return, we offer:

A friendly and collaborative team
A school that values and supports its staff
Enthusiastic, well-behaved children who love learning
Opportunities for professional development

If you are ready to make a difference and be part of our fantastic school community, we would love to hear from you! Visits to the school are welcomed and encouraged.
