About our School:

Watling Academy is an Ofsted 'Outstanding' secondary school situated on the western edge of Milton Keynes, encompassing the Whitehouse and Fairfields developments. Opening in September 2020, our school is a new and vibrant learning community for students aged 11-18. We are excited to open the Watling Academy Sixth Form to our first cohort of Year 12 students from September 2025, which will provide further educational opportunities. Our core values of Respect, Responsibility and Kindness embody the 'Watling Way' and are integral to the way we interact, learn and grow together as a community.

About the Role:

Are you passionate about inspiring the next generation of creatives and innovators? Can you bring both artistic expression and the design process to life through engaging, hands-on learning?

Watling Academy is seeking a skilled and enthusiastic Teacher of Art & Design Technology to nurture creativity, curiosity and critical thinking across both subjects. As our Art & DT Teacher, you will:

- Deliver dynamic lessons that span the worlds of Art and DT, empowering students to express themselves creatively while developing practical design and problem-solving skills.
- Guide students through exciting projects across a diverse curriculum, from Colour & Culture,

Identity and Street Art, to Textiles, Food & Nutrition, Resistant Materials and Engineering.

- Foster a learning environment where innovation and individuality are celebrated, supporting students in mastering both theoretical knowledge and hands-on techniques.
- Be a key part of our supportive team, collaborating with colleagues to deliver an engaging and enriching curriculum that meets the needs of every student.

Closing date for applications: 08/05/2025
