

Watling Academy

Barrosa Way, Whitehouse, Milton Keynes MK8 1EP

hr@thedenbighalliance.org.uk

Religious Studies Teacher

MPS/UPS + £2000 R&R for the right candidate

Permanent

Start date: 01/09/2025

About our School:

Watling Academy is an Ofsted 'Outstanding' secondary school situated on the western edge of Milton Keynes, encompassing the Whitehouse and Fairfields developments. Opening in September 2020, our school is a new and vibrant learning community for students aged 11-18. We are excited to open the Watling Academy Sixth Form to our first cohort of Year 12 students from September 2025, which will provide further educational opportunities. Our core values of Respect, Responsibility and Kindness embody the 'Watling Way' and are integral to the way we interact, learn and grow together as a community.

For more information about our school, please explore our website: www.watling.academy

About the Role:

Are you passionate about religious studies and eager to inspire young minds? Do you excel in designing engaging lessons that promote critical thinking and reasoning?

Watling Academy is seeking a passionate and dedicated Religious Studies Teacher to inspire our students to explore the rich tapestry of religious beliefs and practices, including Judaism, Christianity, Buddhism and more.

Join us as a Religious Studies Teacher and you'll ignite curiosity and critical thinking, fostering an environment where questioning, evaluating and reasoning are not only encouraged but are fundamental to our educational ethos.

Your influence will extend into the realm of empathy and self-reflection. By exploring diverse religious traditions, students will develop a deeper understanding of cultural diversity and learn to empathise with individuals from varying backgrounds. Your guidance will facilitate meaningful reflection on personal beliefs and actions, encouraging students to consider their influence on others and the world around them.

Closing date for applications: 08/05/2025
