Milton Keynes City Council's Comments

Policy BNH3: Redevelopment of REEMA blocks and Mellish Court

Whilst the supporting text (para 7.3) acknowledges that the achievement of the parish council's aspiration for redevelopment to come forward as 100% social housing will depend on viability considerations, this is not reflected in the policy wording. The wording of the policy should be amended to acknowledge that viability considerations may require a proportion of shared ownership homes to cross subsidise the social rent homes.
