About the Role:

All kinds of people teach for many reasons, and we want to know yours. It's a tough job, not all colouring and sticking, but you'll know that. Here, at the Viaduct Federation of Schools, we work hard to ease the day-to-day pressures and achieve a work life balance; we make sure that if something has to be done, it's done as efficiently as possible, leaving you time to enjoy the reason that made you want to teach in the first place.

Bushfield & Wyvern are large infant and junior schools set in historic school buildings in the heart of Wolverton. Our children are our best kept secret: they are a great bunch of amazing individuals; polite, well behaved and keen to learn.

We all work together to keep teaching a fun profession and while it's never going to be easy, have a look at these reasons why our staff think both are great places to be:

We employ specialist teachers (Music, French (Bushfield) and PE) to help deliver the curriculum
Large teaching teams with joint release for planning – working as a team for shared planning and
reducing workload – not planning every subject yourself – bonus!

Dedicated staff meetings to give teachers time to manage their workload – no pointless meetings
(just time dedicated for tasks we know we have to do) and even time back in those extra busy
periods

We still have a large team of experienced support staff – to help with all those additional daily
tasks and preparation

We could go on, but we would much prefer for you to come over, meet us, talk to the team and see
for yourself what makes us different! If you are interested, get in touch, fill out an application form
and tell us about how you could bring a positive contribution to the team.

Closing date for applications: 30/05/2025
