

DENBIGH SCHOOL

Denbigh School

Burchard Cres, Shenley Church End, Milton Keynes, MK5 6EX

hr@thedenbighalliance.org.uk

Science Teacher
MPS/UPS + £2000 R&R
Permanent
Start date: 01/09/2025

About our School:

Denbigh School is an excellent school with an enviable reputation. It is a highly successful, over-subscribed comprehensive school with 1750 students aged 11 – 18 and over 200 staff. At Denbigh School, we firmly believe that every student has the right to learn in every lesson, and every teacher has the right to teach without disruption. Our strong expectations around behaviour and engagement foster a calm, purposeful and dynamic environment where both staff and students can thrive. Our school embodies the core values of Kindness & Respect, Engagement, and Doing No Harm. These values are central to everything we do, guiding our approach as a school and as a cohesive team of staff.

For more information about our school, please explore our website: <https://www.denbigh.net/>

About the Role:

SCIENCE TEACHER
Commencing – September 2025
Salary – MPS1 (£31,650) to UPS3 (£49,084)
+£2000 R&R

Are you a passionate Science Teacher ready to inspire the next generation? Do you have the enthusiasm to make science come alive for our students?

Denbigh School is looking for a passionate and engaging Science Teacher to join our dedicated team. This is a fantastic opportunity to inspire students in a supportive, innovative school

environment where academic excellence is at the forefront. As a Science Teacher at Denbigh School, you will:

Engage and inspire students by delivering exciting, hands-on lessons that spark curiosity, cultivate a love of science and help students to understand the relevance of scientific concepts in their everyday lives.

Support student progress by providing tailored learning opportunities that cater to the diverse needs of students, offering extra guidance and challenge to ensure each individual reaches their potential.

Promote scientific enquiry by encouraging students to ask questions, think critically and develop their investigative skills, supporting them in becoming independent learners and problem-solvers.

Collaborate with colleagues in a team-focused environment to share ideas and strategies that enhance student outcomes and contribute to a positive, dynamic classroom culture.

Closing date for applications: 20/05/2025
