

## Lord Grey Academy

Bletchley, Milton Keynes

*hr@lordgrey.org.uk*  
*01908 626110*

Teacher of Design Technology and Food
£31,650 - £49,084
Permanent
<b>Start date:</b> 01/09/2025

### **About our School:**

Why choose Lord Grey Academy?

- Culture of high expectations and a strong belief that all can achieve
- Very clear routines for learning so that teachers can teach and students can learn
  - Culture of support and feedback for staff
  - Highly visible student-centred Leadership Team
  - Positive, supportive and friendly colleagues
- Weekly CPD and regular opportunities to benefit from working with other schools in the Trust.

The right candidate will be totally aligned to our values of encouraging all students to be ambitious, determined, independent, respectful and successful and completely committed to promoting our mantra of  
Lord Grey Can!

-----

### **About the Role:**

We require a Teacher of Design Technology and Food for September 2025. The successful candidate will be an outstanding classroom practitioner, keen to develop leadership skills in the Creative Technologies Faculty

at Lord Grey and will have excellent subject knowledge.

The successful candidate:

- will have a strong commitment to teaching and learning in Design Technology and Food
- will be an effective classroom practitioner committed to raising standards for all students
  - will be able to teach Design Technology and Food at Key Stages 3 and 4
- will be fully committed to enabling all students to achieve well and make good progress
  - the drive and determination to motivate colleagues and students
  - a creative and energetic approach to teaching and management
    - good organisational skills
  - the vision to develop the courses currently offered
    - open to change, new ideas and innovation.

**Closing date for applications: 12/05/2025**
