About our School:

At Moorland Primary School we are determined to give our children every chance to realise their potential. We have high aspirations for our children and want to equip them with the confidence, resilience and passion for learning. Moorland is situated in a significantly deprived area. SEN is well above national. Poor attendance remains our biggest barrier, however we work tirelessly to improve this. In your role as class teacher you will lead from the classroom and significantly impact and improve the life chances and outcomes of our pupils.

About the Role:

It's not too late to make the move to transform your teaching career. Don't miss this chance to be part of something extraordinary. If you are a passionate teacher who's just now exploring new opportunities, our school is seeking an exceptional Teacher,
