### **About the Role:**

Full-time, fixed term Maternity cover for one year

Required September 2025

All kinds of people teach for many reasons and we want to know yours. It's a tough job, not all colouring and sticking, but you'll know that. Here, at the Viaduct Federation of Schools, we work

hard to ease the day to day pressures and achieve a work life balance; we make sure that if something has to be done, it's done as efficiently as possible, leaving you time to enjoy the reason that made you want to teach in the first place.

At Bushfield we are a big junior school with large grounds and in buildings that mix history with a modern feel. Let us tell you about our best kept secret: the kids – they are a great bunch of amazing individuals; polite, well behaved and keen to learn.

We all work together to keep teaching a fun profession and while it's never going to be easy, have a look at these reasons why our staff think Bushfield is a great places to be:

- Double release (that's right), a day a week to plan and mark! – the job is hard enough and there is always so much to do – at least this way you have a shot at a work life balance
  - We employ specialist teachers (Music, French and PE) to reduce the curriculum load
- Large teaching teams with joint release for planning – working as a team for shared planning and reducing workload – not planning every subject yourself – bonus!
- Reduced set sizes for core subjects– less marking time and more time talking and working with children in class – (not to mention fewer reports to write)
- Dedicated staff meetings to give teachers time to manage their workload – no pointless meetings (just time dedicated for tasks we know we have to do) and even time back in those extra busy periods
- We have a large team of experienced support staff – to help with all those additional daily tasks and preparation

We could go on, but we would much prefer for you to come over, meet us, talk to the team and see for yourself what makes us different!
