About our School:

Caroline Haslett Primary is a big school with a small school ethos. Our last Ofsted report graded us as Outstanding.

Anyone who visits Caroline Haslett will know that there is a special feeling that permeates the corridors and classrooms. Children and staff build incredibly strong relationships with each other. Behaviour is outstanding and because of this, the school has a calm and positive atmosphere. It really is a safe and caring place where everyone has the opportunity to do what they do best: children get to learn and teachers get to teach!

You will be joining an ambitious, committed and hardworking team who are relentless in their drive to make a genuine difference to and lasting impact on our children, staff, families and the wider community. We value kindness and seek to create a school where children feel safe and staff feel supported. If you feel you would be the right fit for this role then we would very much like to hear from you.

About the Role:

We are looking for a Teacher to join our friendly team in January 2026, or sooner if available. The vacancy will be in KS2, but the year group hasn't been decided yet.
