NOTICE IS HEREBY GIVEN that Milton Keynes City Council intends, in not less than seven days from the date of this Notice, to make the above Order under Section 14(1) of the Road Traffic Regulation Act 1984. This order is to enable National Grid to carry out substation works safely **4th August 2025 – 19th August 2025 (24 hours of every day)**.

The effect of the above Order will be to temporarily close part of:

Paynes Drive, Loughton – from its junction with Linceslade Drive to its junction with Specklands.

Whilst the above length of road is closed the alternative route will be via Portway, Watling Street and Olde Bell Lane (and vice versa).

There will be no exemptions from the provisions of the proposed Order except for emergency service vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

Any person committing a breach of the order will be liable upon prosecution to such fine as prescribed by the Road Traffic Regulation Act 1984.
