### **About the Role:**

Are you passionate about making a difference in the lives of children and families? Do you have the skills to provide compassionate, practical support to help families thrive? If so, we'd love to hear from you!

About Us:

At Langland Community School, we believe that strong family relationships are the foundation for successful learning. Our school is a warm, inclusive, and nurturing environment where every child is supported to reach their full potential. We're now looking for a dedicated Family Support Worker to join our team and build positive, trusting relationships with our families and community.

Working with our current Family Support Worker as part of a job share, you will collaboratively:

- Provide one-to-one and group support for children and families facing a range of challenges
- Act as a key contact for parents/carers, offering practical advice, emotional support, and early intervention

- Work closely with school staff, external agencies, and local services to ensure families receive the right help at the right time
  - Promote children's wellbeing, attendance, and engagement with learning
- Support safeguarding practices and contribute to multi-agency meetings when needed

We're seeking someone who is:

- Experienced in working with children and families, ideally in an educational or community setting
  - Knowledgeable about safeguarding, child development, and local support services
  - A great communicator – approachable, empathetic, and non-judgemental
    - Organised, proactive, and able to manage a varied caseload
  - Committed to the values of inclusion, diversity, and early intervention

In Return, We Offer:

- A supportive and welcoming team
- Opportunities for professional development and training
- A chance to make a lasting impact on our school community
- Membership to the Local Government Pension Scheme

**Closing date for applications: 29/09/2025**
