

# STATEMENT OF REASONS

(A brief statement of the general nature and effect of the Order)

## MILTON KEYNES CITY COUNCIL

(THE COUNCIL OF THE BOROUGH OF MILTON KEYNES)  
(CALVERTON ROAD, STRATFORD ROAD, QUEEN ELEANOR  
STREET, WOLVERTON ROAD, (PARTS), STONY STRATFORD)  
(40 MPH) ORDER 2008) VARIATION ORDER 2025

Milton Keynes City Council as the Local Highway Authority proposes to make the above Traffic Regulation Order, under sections 82(2) and 83(2) and Part IV of Schedule 9 of the Road Traffic Regulation Act 1984 proposes to make the above traffic regulation Order.

The general effect of the above proposed Order will be to reduce the 40mph on Wolverton Road in Stony Stratford. The affected length of road will become 30mph by virtue of street lighting.

Setting speed limits at the appropriate level for the road and ensuring compliance with these limits play a vital part in ensuring greater safety for all road users.

As the Highway Authority for the above mentioned road, the Council is satisfied that the alterations of the existing speed limit will help to reduce vehicular speeds along the length of road, which will encourage and facilitate safe vehicular movements.

The Council's reasons for proposing the above Order are as follows: -

- 1) to maintain a safe environment throughout the road, particularly to encourage and facilitate safe vehicular movements along those parts of the road;**
- 2) for avoiding danger to people or other traffic using the above roads, or to prevent the likelihood of any such danger arising.**

The Council has given consideration to its duty under section 122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular traffic.

The Council will continue to monitor the way in which highway facilities are used and address any issues that come to its notice and following meaningful consultation with all stakeholders do what it considers necessary to facilitate the expeditious, convenient and safe movement of vehicular and pedestrian traffic.
