About our School:

The Alliance Schools Trust is driven by our inclusive mission of providing the highest quality of Education, Care, and Opportunity. Our commitment to education is reflected in our proven track record of academic success, consistently outperforming both Milton Keynes and national averages. We prioritise care by ensuring that no student or staff member ever feels anonymous. Everyone is recognised, valued and supported, creating a strong sense of belonging within our community. We offer extensive opportunity for career development and progression within our growing network of schools, empowering you to advance your career within a united, forward-thinking Trust.

As a Maths Hub, we are recognised as leaders in raising educational standards both within our Trust and in the schools we support. We are proud to appoint motivated, highly qualified staff who thrive in a culture where collaboration and the spirit of partnership are central to everything we do.

About the Role:

FINANCE MANAGER

Commencing – ASAP

37 hours per week
All Year Round

Salary – £46,142 to £51,356 p.a.

The Alliance Schools Trust is looking for an experienced and proactive Finance Manager to join our dynamic team. The successful candidate will focus on delivering high-quality financial services to all schools within the Trust, ensuring real-time financial awareness, and supporting quality budgeting and forecasting processes. You will be responsible for advanced reporting, payroll management, financial analysis and interacting with various stakeholders across the Trust to drive value for money and financial efficiency.

The role is based at our Trust Shared Services Hub at Willen Primary School and will require some travelling between our schools within Milton Keynes.

Closing date for applications: 16/10/2025
