### Introduction

Milton Keynes Council (now Milton Keynes City Council) signed up to the Armed Forces Covenant in 2012 and it promises that those who serve or have served, and their families will be treated fairly in all aspects of life. An updated version of the document was re-signed, following us being granted our City status in 2022, and we are proud to reiterate our commitment to the armed forces community.

Whether you are currently serving in the Armed Forces, are a reservist, or have previously served, there are many organisations who offer guidance and support for you and your family. Areas that help can be provided include:

- benefits and pensions
- crisis support
- employment and training
- finance, and hardship
- general help accessing support
- homelessness
- physical or mental health services
- sexual or domestic violence and stalking
- social groups

Many of the local, regional, and national organisations have first-hand experience and specialist knowledge of the armed forces community. A list of services offered in Milton Keynes and adjoining areas can be found in this Armed Forces Support Directory. The directory has up-to-date details and links to service providers within it.

Applying for a Veterans Card can make access to help and support even easier! Apply at <a href="https://www.gov.uk/veteran-card">https://www.gov.uk/veteran-card</a>
