

Watling Academy

Whitehouse, Milton Keynes

hr@tastrust.org.uk

Computing Teacher
M1 - UPS3
Permanent
Start date: 01/01/2026

About our School:

Watling Academy is an Ofsted 'Outstanding' secondary school situated on the western edge of Milton Keynes, encompassing the Whitehouse and Fairfields developments. Opening in September 2020, our school is a new and vibrant learning community for students aged 11-18. We are excited to have opened the Watling Academy Sixth Form to our first cohort of Year 12 students in September 2025, which will provide further educational opportunities. Our core values of Respect, Responsibility and Kindness embody the 'Watling Way' and are integral to the way we interact, learn and grow together as a community.

About the Role:

TEACHER OF COMPUTING

Salary – MPS1 (£31,650) to UPS3 (£49,084)

Commencing – January 2026

Are you passionate about computing and eager to inspire the next generation of digital innovators?
Do you believe in the power of technology to connect and empower communities?

Watling Academy is seeking a motivated and engaging Computing Teacher to join our team and inspire students to explore the exciting world of technology. As a Computing Teacher at Watling Academy, you will:

Inspire technological innovation by delivering engaging lessons that focus on coding, data analysis and web development, helping students build their confidence and skills in programming, including Python.

Deliver thought-provoking lessons, encouraging students to think critically about their own skills and technology's impact on society.

Foster creativity and problem-solving by challenging students with real-world projects that inspire them to become analytical and innovative thinkers.

Be a key part of our supportive team, collaborating with colleagues to deliver an engaging and enriching curriculum that meets the needs of every student.

Closing date for applications: 07/11/2025
