MILTON KEYNES CITY COUNCIL (ALL GRID ROADS AND PRIMARY ROADS WITHIN MILTON KEYNES) (TEMPORARY SPEED RESTRICTION) ORDER 2025

NOTICE IS HEREBY GIVEN that Milton Keynes City Council has on 9th December 2025 made an order under Section 14(4) of the Road Traffic Regulation Act 1984. Its effect will be to temporarily prohibit vehicular traffic from proceeding at a speed in excess of 20mph, 30mph and/or 40mph on all grid roads and primary roads within Milton Keynes.

The Council is satisfied that the temporary speed restriction Order is necessary to enable a safe working environment whilst essential scheme development, highway maintenance and repair works are being carried out, including grass cutting, gully cleaning, litter picking, street lighting, mechanical sweeping, lining maintenance and stud replacement and all other maintenance activities. The temporary 30mph and 40mph speed restrictions will only be introduced when works are required and **only** when indicated by the appropriate traffic signs, which will be erected in advance of any restriction.

There will be no exemptions from the provisions of the proposed Order, other than for emergency services vehicles, and military vehicles whilst being driven on operational duties.

The temporary speed restrictions will be clearly signed in accordance with Chapter 8 of the Traffic Signs Manual.

The Order will come into effect on 13th December 2025 and will continue in force for a maximum period of 18 months.

All grid roads and primary roads within Milton Keynes will be covered by the above Order.

Any person committing a breach of the proposed order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.
