

## **Briefing note**

# **McConnell Drive Railway Bridge (81413) (Rly 171B) Low bridge height restriction signs**

<b>Prepared by</b>	Yogesh Chauhan, Assistant Engineer Structures
<b>Date</b>	15 January 2026
<b>Purpose</b>	Communications

## **Installation of Low headroom sign to structure.**

Milton Keynes City Council (MKCC) will be carrying out planned maintenance works to the highway bridge carrying Stratford Road over McConnel Drive.

## **About the works**

The Low Headroom sign is to be installed on both elevations of the bridge. New signs and upgrading of existing signs to local highway network are also taking place. The works will be delivered by MKCC's Highways service provider Ringway.

## **Planned Construction Dates**

The works are programmed to commence from Monday 9<sup>th</sup> March 2026 for a period of up to 2 weeks.

## **Traffic Management & Access**

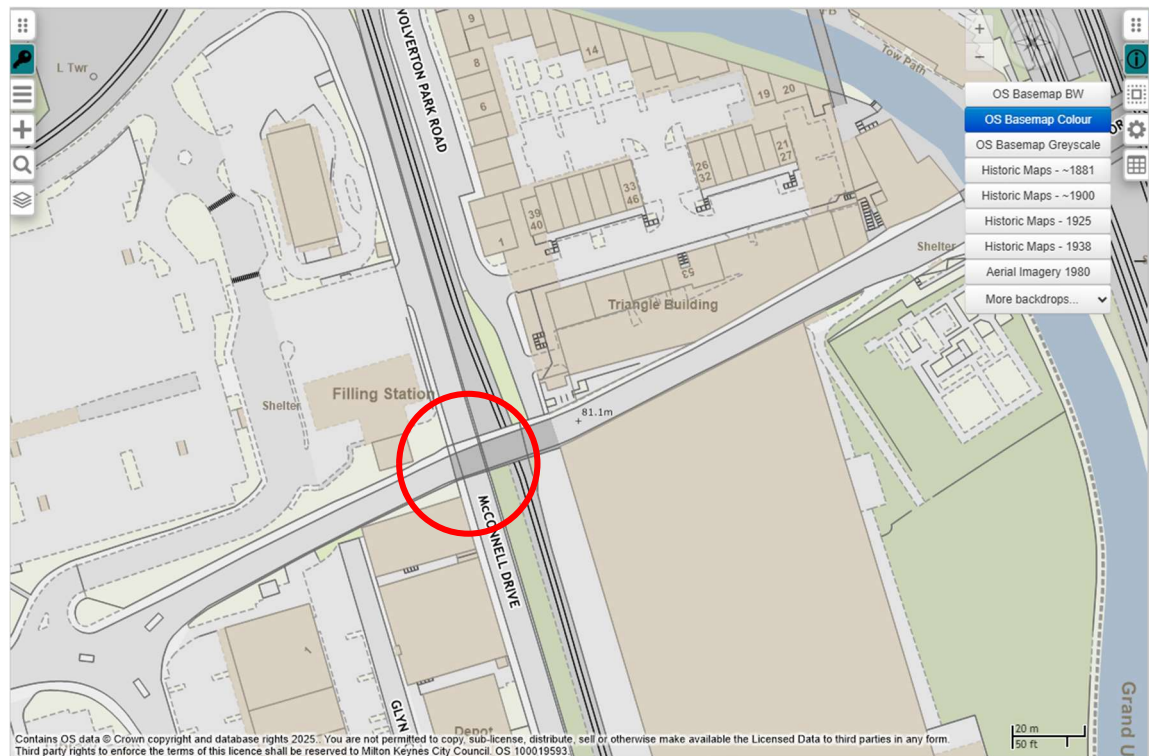

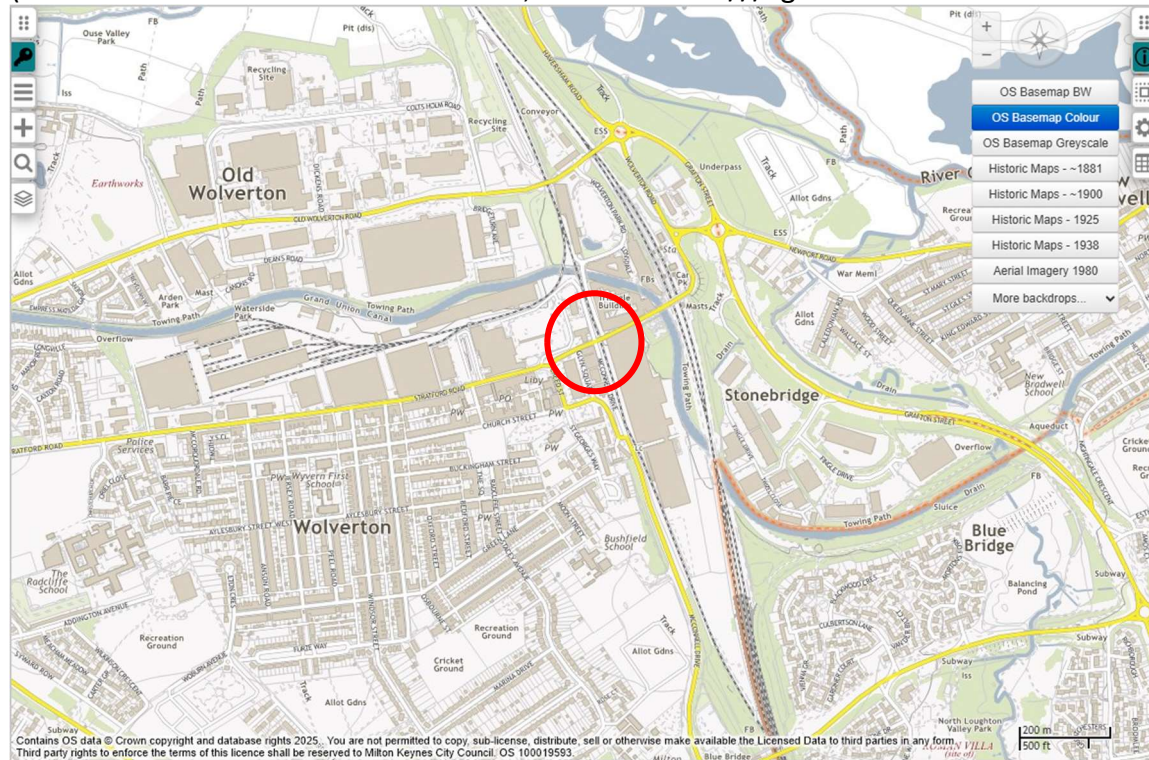

- Full carriageway closure of McConnel Drive will be in place for the sign installation.
- Diversion route will be clearly signed and managed in accordance with Chapter 8 of the Traffic Signs Manual.
- Pedestrian traffic will be diverted locally.

## **Stay Informed**

If there are any changes to the planned start date, duration or working hours, updates will be provided on the information boards located at both ends of the bridge.
