Welcome to Emberton Country Park

This attractive parkland is situated in the village of Emberton, close to the historic town of Olney and just a few miles northeast of Milton Keynes. Set in over 200 acres, the park is peaceful and relaxing.

Days out for all the family

Originally a gravel works, it was transformed by Milton Keynes City Council into England's first Country Park in 1965. There are wooded glades and meadows and children's play areas. From birdwatching to triathlons, camping, picnicking or a walk in the countryside, Emberton Country Park has something for everyone to enjoy all year round.

Explore the park

Walk, jog, run, cycle or ride around over 5km of paths and trails winding their way around 4 lakes, wooded glades and meadows. The park is a 'natural' environment, please take care as there are some uneven walking surfaces.

Swimming, wading, and paddling are not permitted in any of the Park's waters.

Children's play areas

There are three dedicated children's play areas with fun and accessible equipment. There is the pirate play ship area, the sand pit and squirrel drey wooden play area.

Bird Watching

There are numerous birds to see such as woodpeckers and kingfishers to migratory birds such as swifts, swallows, wintering ducks and cuckoos. Watch from our 3 bird viewing platforms and bird hide.

Fishing

Enjoy a relaxing day fishing in beautiful surroundings here at Emberton Country Park. There are 4 lakes with a variety of fish including perch, roach, pike, bream and tench. Day, week, and season permits are available from the park gatehouse and customer services. Accessible fishing facilities are available with several adapted fishing pegs. Picnics and Café

The park provides a beautiful setting for eating outside, with two dedicated picnic areas. BBQ's and campfires are not permitted in the main park.

Situated by the main car park, the cafe is a great place to stop for hot drinks and a bite to eat www.meadowbrownrestaurants.co.uk/emberton-park-cafe

We have recycling facilities available on site next to the cafe car park. Where possible, use reusable items for your picnic, such as reusable tubs for sandwiches and crisps, and reusable water bottles and reusable mugs for hot drinks. There are large black communal rubbish bins for all other waste. Alternatively, please take your litter home.

Help with litter picking

Help us to keep Emberton Country Park beautiful and safe for the wildlife by litter picking as you wander around. Whether you are out on your own, with family, walking the dog or even jogging, litter picking as you go is a great way to have fun and help the environment at the same time! Litter picking equipment can be borrowed from the 2-minute litter picking board, located at the cafe.

Staying at the park

Camping available for tents, caravans, and motor homes. All sites have access to toilet facilities and shower facilities are included in some areas. Find out more at www.milton-keynes.gov.uk/ecp-camping

There are also 115 static caravan plots at the park for privately owned caravans. Find out more at www.milton-keynes.gov.uk/ecp-static-caravan-information
