Planning Obligations and Tariff Obligations

Milton Keynes City Council is the authority in charge of monitoring and satisfying of planning obligations within the borough of Milton Keynes.

It is the policy of the Council that we do not seek to enforce the Obligations of Section 106 Agreements against individual end occupiers of any tenure; there is therefore no danger of the new owner acquiring any liability in relation to the Section 106 relevant to this purchase.

Yours sincerely

Jennifer Head
Planning Obligations Officer
Milton Keynes City Council
