No cooperation has been made with Great Brickhill Parish Council as a neighbouring parish to Policy GS18.

No evidence is shown as to how the increased traffic volumes associated with GS17 &18 will be mitigated against as current road infrastructure adjacent to both development areas are already at capacity at peak times. Increased rail traffic upon completion of East-West Rail will also exacerbate traffic problems at the Bow Brickhill level crossing. No mention is made as to how this will be mitigated with respect to GS17
