If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Plan is not sound. It seeks to add 59,779 homes to Milton Keynes. On an average of 2.35 people per household this will add 140,480 people to the area, putting an already strained infrastructure to the area. With Government cutbacks, it is unlikely that the Council will be able to provide the necessary Services required. The area has already seen a lower quality of life become the norm in the last 10 years due to constant building. This will only increase this with more Green Belt land filled in.

Please stop building for the sake of all the existing residents wellbeing.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note your representation should cover succinctly all the evidence and supporting information necessary to support/justify your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he or she identifies for examination.
