Good Morning,

I would like to submit the following comment to the plan,

In Stoke Goldington the last remaining village pub has temporarily closed and is being marketed for alternative residential development on part of the site (at development values) despite having no planning permission and an ACV with strong community support. It is vital that sufficient policy protection is afforded to these sites to ensure that all opportunities to retain a viable public house use are taken by a landowner before losing the use altogether or associated aspects of a facility such as off-street car parking for staff and visitors and associated pub gardens.

John Scott
Clerk to Stoke Goldington Parish Council
