### **About the Role:**

We are seeking a dedicated and compassionate SEND Teaching Assistant to work on a one-to-one basis with an individual pupil, supporting their learning, development and wellbeing throughout the school day. This is a highly valued role within our team, requiring patience, adaptability and a genuine commitment to inclusive education.

You will work closely with the class teacher and SENDCo to implement personalised strategies, adapt learning activities, and provide consistent support to help the child access the curriculum and achieve their full potential. This role will be both challenging and incredibly rewarding, offering the opportunity to make a meaningful difference in a child's educational journey.

The successful candidate will:

- High expectations for all pupils, with a strong commitment to supporting an individual child to achieve the very best possible outcomes
- A patient, nurturing and empathetic approach, with the ability to respond sensitively to the

specific needs of a child requiring one-to-one SEND support

- The ability to build positive, trusting relationships that promote confidence, independence and emotional wellbeing
- Experience of, or a willingness to develop, effective strategies to support pupils with additional needs, including adapting learning and managing barriers to engagement
- Strong teamwork skills, working collaboratively with the class teacher, SENDCo and wider staff to ensure consistent and effective support
  - A clear commitment to inclusive practice, aligned with our ethos of bringing out the best in everyone
- A good understanding of the Year 6 curriculum, or the ability to quickly develop this knowledge to support learning effectively
  - A proactive attitude towards professional development, including a willingness to develop expertise in SEND and contribute to wider school improvement where appropriate

**Closing date for applications: 09/07/2026**
