

01 October 2026

Subject: H10 Bletcham Way Extension – Phase 2 Old Farm Park to Wavendon

Dear Parent/Carer,

Further to our previous correspondence dated **10 September 2026**, Milton Keynes City Council would like to provide an update on the **H10 Bletcham Way Extension Phase 2 Project**.

To help minimise disruption during the construction works, a **temporary car park** will be provided at the corner of **Gregories Drive and Byrd Crescent** from **January 2027** for the duration of the works. We kindly ask that you make full use of this facility once it becomes available.

Enabling works, including construction of the temporary car park and Redway, will begin on **5 October 2026** and are expected to continue until the **end of December 2026**.

To help keep everyone safe during school drop-off and pick-up times, please:

- Arrive early where possible
- Park safely and considerately
- Do not block driveways
- Do not double park
- Do not park on footways
- Observe School Keep Clear markings
- Do not park on double yellow lines

Please put the safety of children and other road users first.

Complaints regarding unsafe or obstructive parking may result in enforcement action. Thank you for your cooperation and support during these important works. Regular updates can be viewed online at [H10 Bletcham Way Extension | Milton Keynes City Council](#) or by scanning the QR code.

For construction-related enquiries, please contact:
