About the Role:

We are looking to appoint a friendly, reliable and enthusiastic Level 2 Midday Supervisor to join our supportive team at Haversham Village School. The successful candidate will help ensure that our children have a safe, happy and enjoyable lunchtime experience, supervising pupils both in the dining hall and on the playground.

The role will include supporting children during lunch, encouraging good manners and positive behaviour, supervising and engaging pupils in appropriate playground activities and games, and helping to ensure that all children feel included. You will respond appropriately to minor incidents and accidents, follow the school's behaviour, safeguarding, medical and allergy procedures, and report any concerns to the appropriate member of staff.

We are looking for someone who enjoys working with children, has a calm and positive manner and can build warm, professional relationships with pupils and colleagues. You will need to be a good team player, communicate effectively and be able to use initiative while following school procedures. An understanding of safeguarding and the importance of maintaining appropriate professional boundaries and confidentiality is essential. Training and support will be provided.

Haversham Village School is a friendly village primary school where we place great importance on creating a caring, inclusive and positive environment for every child. This is an ideal opportunity for someone who would like to become part of our school community and make a positive contribution to our children's school day.
