

Minerals and Waste Local Plan 2050

Notice of Intention to Commence Plan-making.

Prepared by	Development Plans, Planning Service
Date	01 October 2026

This notice has been prepared by Milton Keynes City Council with regards to Regulation 44 of The Town and Country Planning (Local Planning) (England) Regulations 2026 (the Regulations).

In our capacity as the Mineral and Waste Planning Authority for the administrative area of Milton Keynes, this is our Notice of Intention to commence preparation of our Mineral and Waste Local Plan 2050 (MWLP).

The Plan will relate to the whole of the Milton Keynes City Council unitary authority area and will form the principal development plan document for minerals and waste planning within that area. It will replace in full our existing Minerals Local Plan 2017 and Waste Development Plan Document 2008.

Milton Keynes City Council does not intend to prepare this Minerals and Waste Plan document as a joint plan with any other minerals and waste planning authority. Accordingly, no additional authorities are named in this Notice.

Our minerals and waste plan timetable is available on our [website](#), which sets out the timetable for preparing the MWLP. This notice is made available in accordance with Regulation 88 of the Regulations on 01 October 2026. Accordingly, this notice will be available to view on our [website](#), at the Civic Offices during normal office hours, and at public libraries within the authority area during normal opening hours, as listed on [our website](#).
